1. *Global RMNCAH advocacy platform*

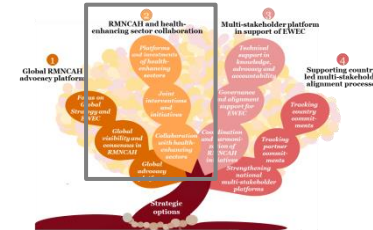

Description

- Global advocacy platform
- Global visibility and consensus in RMNCAH
- Focus on Global Strategy and EWE

Issues that it addresses

- PMNCH's comparative advantage in global advocacy efforts for RMNCAH
- Missing linkages between global, regional and country advocacy efforts
- Undefined scope of interactions in health-enhancing sectors

2. *RMNCAH and health-enhancing sector collaboration*

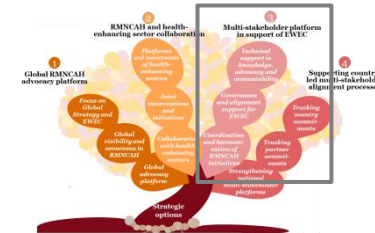

Description

- Collaboration with health-enhancing sectors
- Joint interventions and initiatives
- Platforms and investments of health-enhancing sectors

Issues that it addresses

- Undefined scope of interactions in health-enhancing sectors
- More impact could be achieved by collaborating with other sectors that address mother's and children's health

3. *Multi-stakeholder platform in support of Every Woman Every Child (EWEC)*

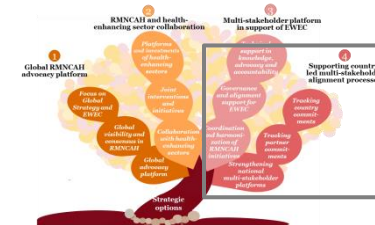

Description

- Coordination and harmonization of RMNCAH initiatives
- Governance and alignment support for EWEC
- Technical support in knowledge, advocacy and accountability

Issues that it addresses

- Lack of coordination between different RMNCAH initiatives
- Risk of duplication of activities, especially in the area of advocacy and accountability
- Unclear linkages between the RMNCH Steering Committee and PMNCH

4. *Supporting country-led multi-stakeholder alignment processes*

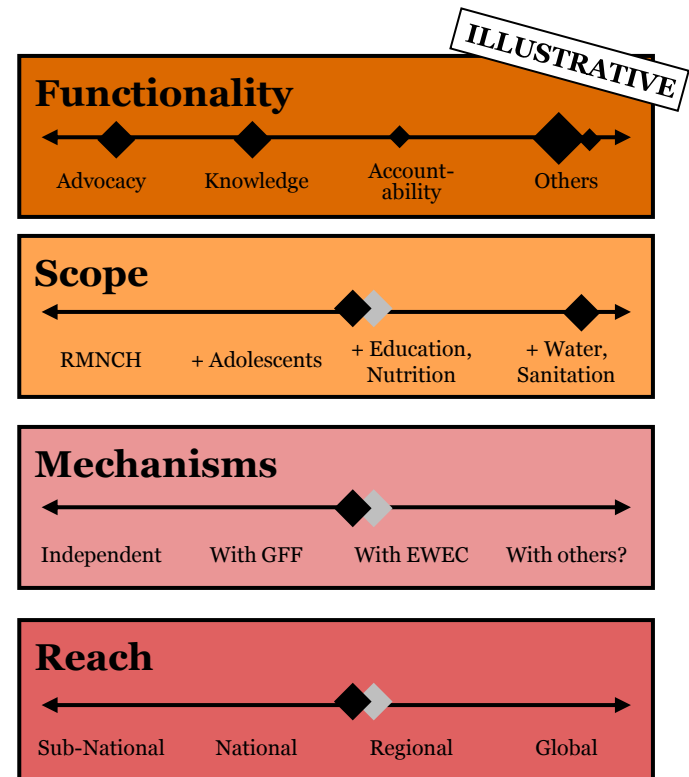

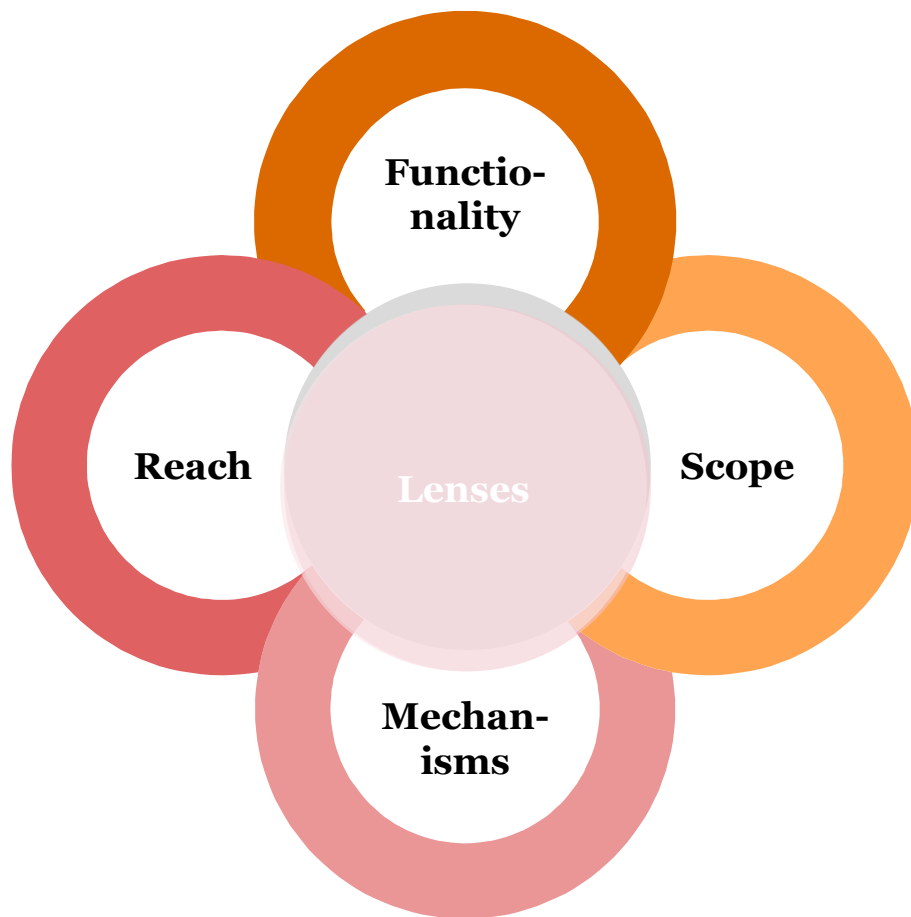

Description

- Strengthening national multi-stakeholder platforms
- Tracking partner commitments
- Tracking country commitments

Issues that it addresses

- Undefined role of PMNCH at country-level
- Low engagement of country partners in the Partnership's activities
- Low representation of countries in working groups
- No defined tracking of partner actions at global, regional and country levels

Proposed tool for group discussion: Strategic lenses

Guiding questions for strategic lenses

Functionality

- SO 1: Knowledge- How can PMNCH evolve in being a **one stop shop on RMNCH knowledge** for partners?
- SO 2: Advocacy- How can PMNCH support the **harmonization of global financing efforts** for maternal and child health through its advocacy efforts?
- SO 3: Accountability- How will PMNCH contribute post-2015 in **tracking progress** against the updated Global Strategy?

Thematic Scope

- How can PMNCH **broaden its scope of interventions** to RMNCAH and/or to other sectors such as education and sanitation?
- How can PMNCH's strategy **interrelate thematically with the Global Strategy** and with the Sustainable Development Goals?
- How can PMNCH better **engage with its constituencies**?

Mechanisms

- How can PMNCH carve out its added value in **relation to other RMNCAH mechanisms** and initiatives (e.g. Global Financing Facility, the RMNCH Steering Committee and its Trust Fund)?
- How should it best **collaborate/contribute** to the work of other RMNCAH actors?
- How can PMNCH's **multi-stakeholder platform** be best leveraged?

Geography

- What will be the **geographical focus** of PMNCH's activities (global, regional, national, high burden countries, fragile states)?
- What role can PMNCH play at the **regional and country level**? How can it steer alignment between the global, regional and country levels?
- How can PMNCH better engage with **national leaders**?
