

The Partnership's 18th Board Meeting
19-20 May 2016, Copenhagen, Denmark

Strategic Objective 2: Drive Accountability

Dr Flavia Bustreo

The Partnership for Maternal, Newborn & Child Health

Strategic Objective (SO)2: Drive Accountability

Nurture a culture of open mutual accountability to drive coordinated purposeful engagement & sustained commitment, tracking progress, learning by doing & holding each other to account

SO2 High-level Outcomes 2016-2018, Strategic Framework

- 2.1 Promote a culture of **mutual accountability** in PMNCH
- 2.2 Advance the **Unified Accountability Framework** for the Global Strategy
- 2.3 Support the **Independent Accountability Panel**
- 2.4 Facilitate all PMNCH constituencies' **action** for accountability
- 2.5 Champion **citizen-led accountability**, including citizen's hearings, youth and media
- 2.6 Coordinate **PMNCH SO2 workplan**, linking with other SOs and Partnership Governance

2016 Workplan Priorities

Identified in Johannesburg meeting & SO2 work-planning:

- **Data & GS Monitoring framework** - communication & advocacy to fill gaps (with SO3); promoting partner engagement & harmonisation
- **Citizen-led accountability** – including citizens hearings; engagement of youth, media & parliamentarians
- Accountability through **multi-stakeholder platforms** at different levels - link with SO1 & SO4 (Partnership Board)
- **Inter-sectoral links**
 - Working groups for humanitarian & human rights monitoring
 - Links with other sectors - WASH, education, nutrition...
- **Unified Accountability Framework** – including support to IAP for first report & EVEC commitment tracking

Examples of Synergies Across SOs

- **SO1:** Support to country-led accountability efforts through multi-stakeholder participation & platforms
- **SO3:** Communicating the UAF & GS monitoring framework to difference audiences & advocacy to fill gaps
- **SO4:** Promoting partner engagement & mutual accountability through Partnership Board IAP Commentary
