

Core Functions

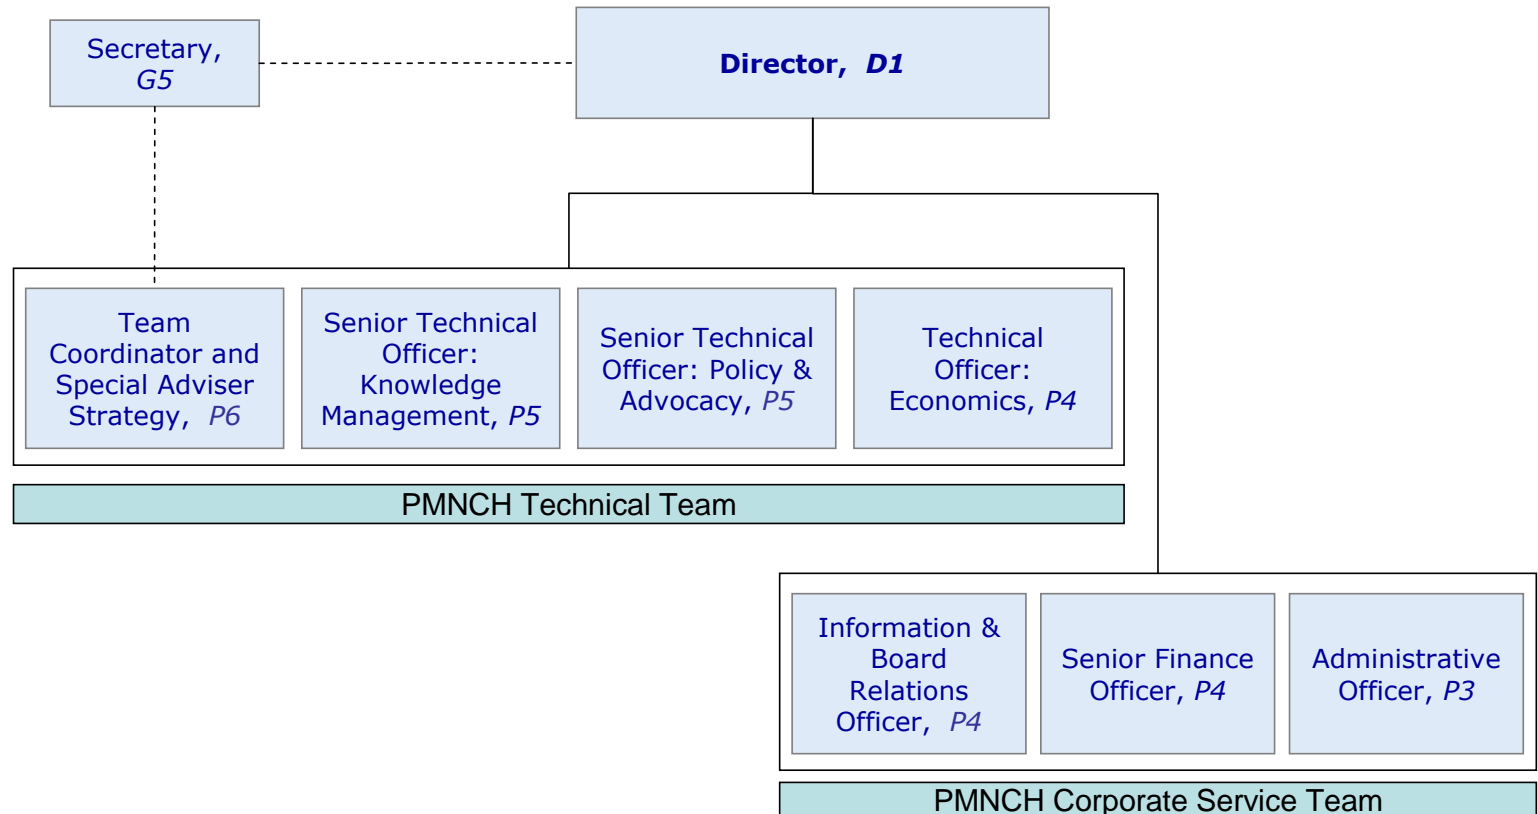

PMNCH objective

Overview of 2009

- A new **Memorandum of Understanding** signed with host agency (WHO) covering 2009 – 2011
- The **Board** met twice during 2009 - in February and December
- **Executive Committee** met monthly to take decisions between Board meetings, especially on governance, work-plan and staffing matters, and provide Secretariat oversight
- **Finance Committee** met three times in 2009 to review financial position of PMNCH and advise the Secretariat on financial issues
- **Secretariat** is now fully staffed, recruitment having proceeded rapidly during the summer months with full support from WHO

Meet the staff at:

www.who.int/pmnch/about/secretariat/en/index.html

Enhancing communication

- The Partnership's website is regularly updated – transition to interaction with the knowledge portal foreseen for 2010
- Frequent communications with the Board
- E-communication with membership at large
- Regular reporting, discussions and follow-up with donors and foundations on existing funding and implementing the resource mobilisation strategy

Improving management processes

- Ongoing engagement with Partners to provide support to the delivery of the Strategy and Workplan
- Improved management of workplan activities, which was an explicit recommendation of the external evaluation – new management tool developed and implemented
- New internal accounting and financial monitoring systems that reflect the needs of the new operational model and the agreed PAs
- Ongoing staff evaluation and development processes implemented

Looking towards 2010

- Two Board meetings foreseen in 2010 (dates and venues to be decided):
 - Invitations received from Government of India and BRAC (Bangladesh)
 - Suggested date week of 9th May 2010 and week of 10th November 2010
- Preparations for the next Forum meeting will commence as soon as the Board provides go ahead for holding it in 2010
