# The Partnership today: 722 members and growing

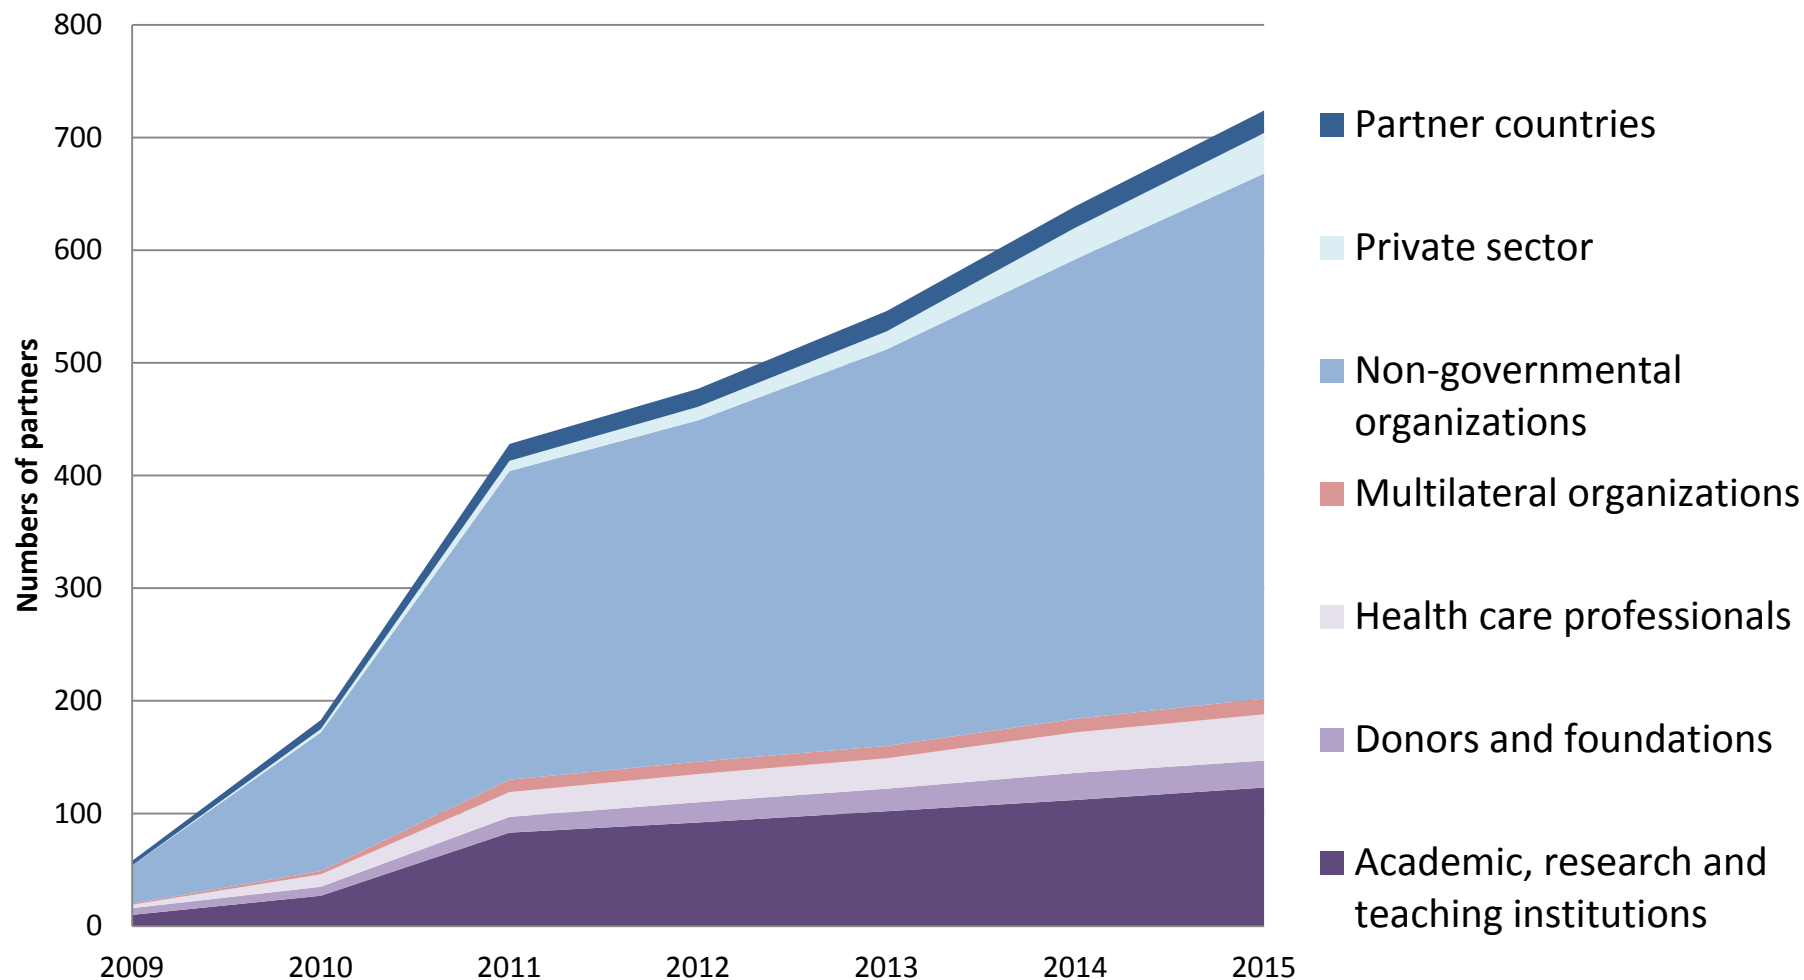

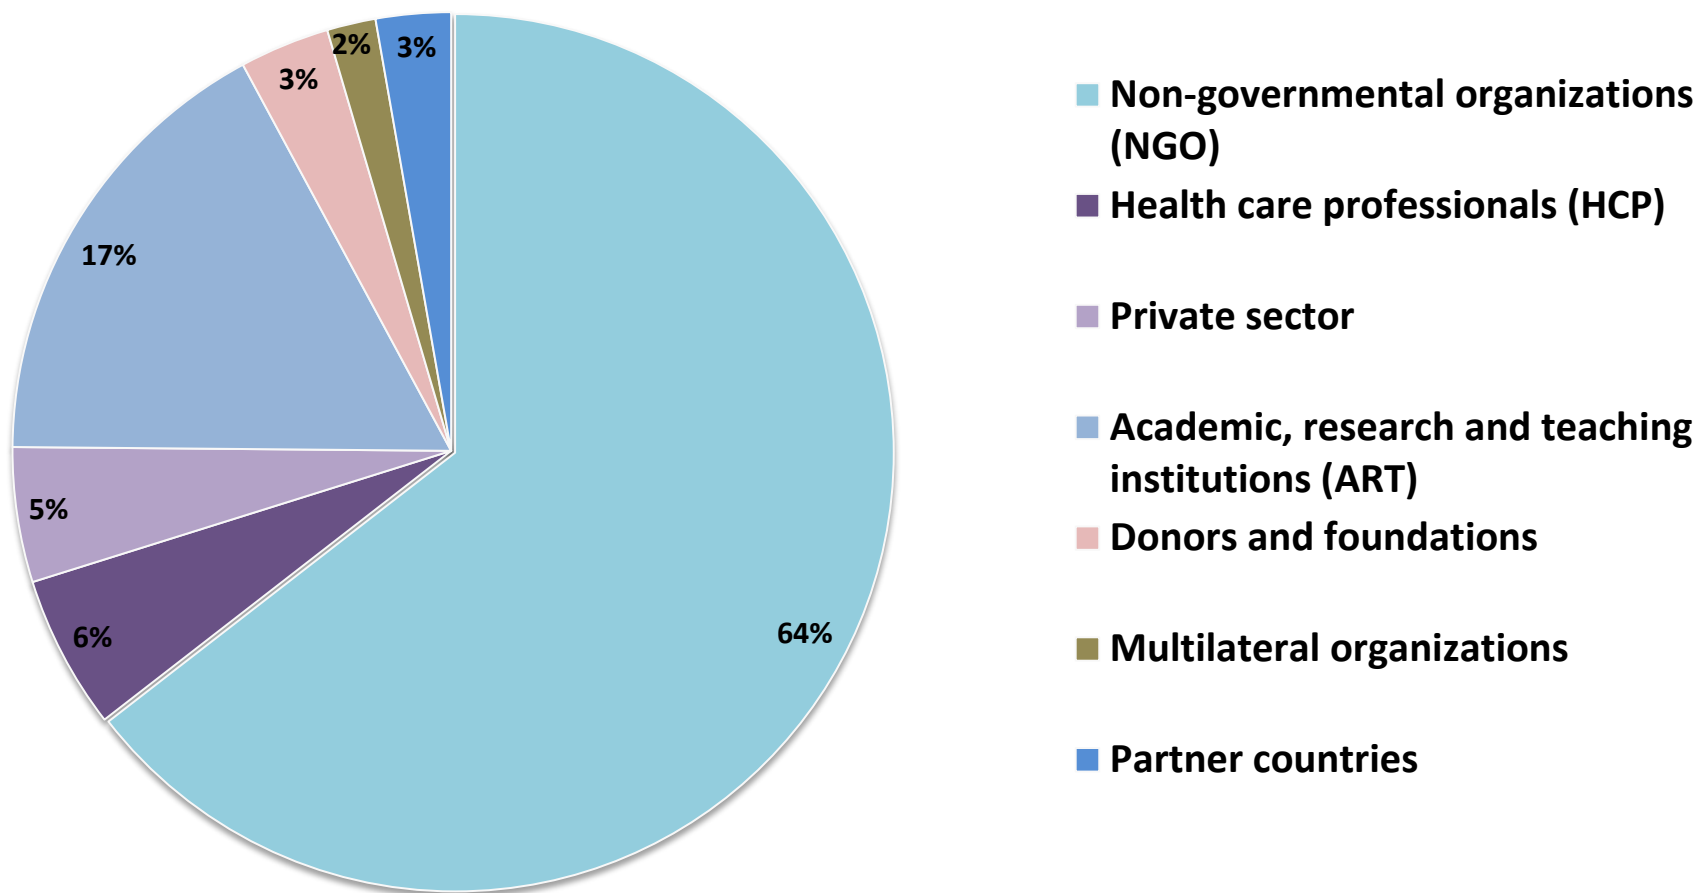

# Our 722 partner distribution, by region

# NGOs, HCPAs and private sector growing fastest

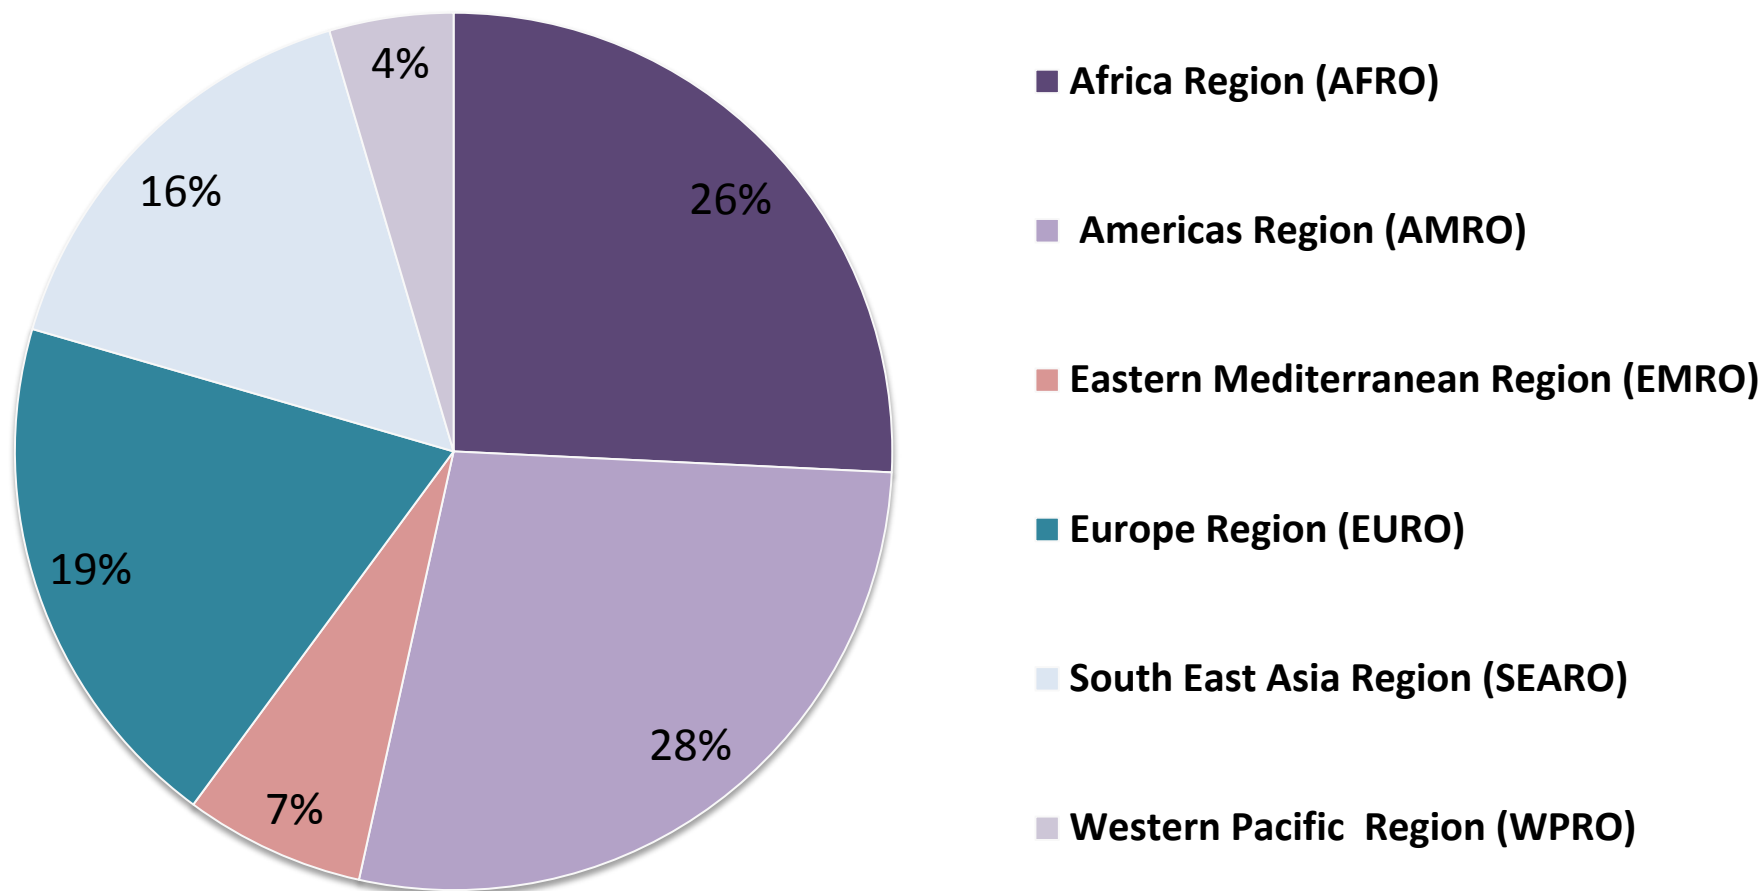

## 80%+ of our members are NGOs and ARTs

# Americas and Africa region is where most of our 722 partners are represented

# Funding Partnership's work to date

- 15 donors have provided grant funding totalling around US\$ 47 million to support the Partnership deliver its 2012-15 Strategic Framework
- Grants were received from ten governments, two foundations, three multilateral organizations and initiatives, and a private sector partner
- More than half of all annually available funding has tended to be unspecified, with the majority provided as part of multi-year grants
- Each of the four years of the 2012-15 Strategic Framework were fully funded
- Diversity of the donor base also meant a more complex and involved reporting process

# Progress in securing funding: 2016 and beyond

As the Partnership transitions from one strategy to the next, good progress has been made in securing funding for 2016 and beyond

- **No-cost extensions and existing commitments.** Some donors have extended the validity of existing grants and existing commitments are being implemented by others.
- **New proposals.** The Partnership has been invited to submit a number of new funding proposals.
- **Ongoing discussions.** Active discussions are under way with a range of donors on identifying areas of interest and funding opportunities.

As at Oct 2015, existing commitments, possible no-cost extensions and new proposals add up to US\$ 6.5 million in 2016, excluding any new opportunities that may be secured before the end of 2015

# No-cost extensions and existing commitments

Partnership has agreed or is in discussions to extend the validity of some the existing grant agreements and implement existing commitments

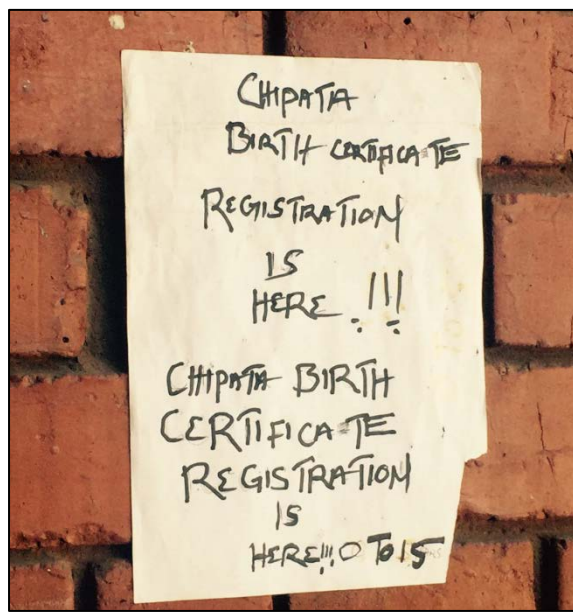

Donor	Details	US\$ for 2016
Australia	Considering a request for a no-cost extension of existing grant until 30 Jun 2016	1,400,000
CoIA	Existing grant expires on 31 Mar, 2016	560,000
India	Second half of US\$ 1 million commitment to Partnership's workplans in 2015 and 2016	500,000
Netherlands	Agreed in principle to a no cost extension on existing grant until 31 Dec 2016	890,000
<b>Total</b>		<b>3,350,000</b>

In addition, the UK government agreed to extend the validity of its existing grant from Apr to Sep 2015, in the amount of US\$ 1,735,100, which is enabling the possibility of other existing grants to be extended into 2016

# New proposals

There are currently three proposal under active consideration by the donor community for funding the Partnership's work in 2016 and beyond

Donor	Details	US\$ for 2016
Bill & Melinda Gates Foundation	Three year grant (2016-18) for US\$ 6 million	2,000,000
MacArthur Foundation	Three year grant (2016-18) for US\$ 750,000	500,000
USA	FY15 financial year grant from USA	650,000
<b>Total</b>		<b>3,150,000</b>

## Chipata Hospital

A close-up photograph of two young girls. The girl on the left is wearing a bright yellow headscarf and is smiling, looking slightly upwards and to the left. The girl on the right has dark hair in a braid and is smiling broadly, leaning her head against the first girl. The background is a plain, light-colored wall.
