Wednesday, 4 May 2022

9.30am New York, 3.30pm Geneva, 4.30pm Nairobi

Interpretation will be available in French and Spanish

A user-friendly dashboard to help countries to regularly monitor their progress and make evidence-based decisions about priority areas for action and resource allocation for children's health – is being launched by WHO, UNICEF and CAP2030. This webinar event will showcase the dashboard, share the conceptualization process and provide a vision and recommendations on the potential use and benefits of this dashboard in improving accountability for children's rights.

Session plan:

Moderator: Dr Theresa Diaz, Unit Head, Epidemiology, Monitoring and Evaluation Unit, Maternal, Newborn, Child and Adolescent Health and Ageing Department, WHO Geneva

Part 1: Welcome & Introduction

Welcome & Introduction: Dr Anshu Banerjee, Director, Department of Maternal, Newborn, Child and Adolescent Health, and Ageing, WHO Geneva

Introduction of the Dashboard: Prof Anthony Costello, Professor of Global Health and Sustainable Development, University College London

Conceptualization journey & demonstration video:

- Dr Jennifer Requejo, UNICEF
- Gerard Lopez, WHO Geneva

Part 2: Using the Dashboard

Reflections: Helga Fogstad, Executive Director, PMNCH

Panel discussion:

- Dr Tanya Doherty, CAP2030
- Dr Kwame Sakyi, CAP2030 - Ghana
- Dr John Borrazzo, Save the Children

Testing Options & Dashboard Refinement:
Srivatsan Rajagopalan, CAP2030

Part 3: Questions & Answers

Closing remarks: Dr Vidhya Ganesh, Director, Division of Data, Analytics, Planning & Monitoring, UNICEF

This webinar is co-hosted by WHO, UNICEF, PMNCH, and CAP2030
