“ Best on-line conference, content & technology wise, that I’ve attended yet! ”

-Pat Taylor, JSI

“ So powerful...we are only safe when everyone is safe! Thank you for an AMAZING summit filled with inspiration and action. Please stay well. ”

-Arti V

“ For me, I was blown away by Jermoni Benson’s slam poetry yesterday, and today, the conversation between Antoinette Cooper and Mercy. ”

-Anna

“ Thank you Mercy for such a great work and to Helga & Lisa & teams for a successful and meaningful engagement. ”

-Caroline Dabs

Inspiring @PMNCH #LivesInTheBalance #COVID19 session on how to partner better & more thru #MultiStakeholderPartnerships to flatten the curve & realize #HealthForAll.

#Kenya @sdgpartnership great model to learn & replicate!

Chelagat Makena @MissChelagat
Currently attending the virtual @PMNCH "Lives in the Balance: A COVID-19 Summit" with my girl @MercyJuma_ MCing the sessions for the next two days. So lucky to be surrounded you strong women who care about the the same things as I do!
#LivesInTheBalance

Thanks for the opportunity to present the "voice" of hard to reach communities in HOA in the context of COVID-19 pandemic and their vulnerabilities.

Maziko Matemvu 🌈 @mazikospeaks
Unfortunately in 2020, young people and adolescents still need to be invited to have a seat at the table. We are creating our own tables now and we are inviting the media to amplify our voices ! #EWEcisme
