

PMNCH: On the Move

Helga Fogstad

Executive Director

The Partnership for Maternal, Newborn & Child Health

Moving ahead in 2017

- **More aligned and focused:** Alignment of PMNCH's workplan with six EWECC focus areas and other EWECC partners (EOSG, GFF
- **More targeted products:** Clear, concrete added value products with tangible results and theory of change
- **More engaged partners:** Stronger partner centric approach and bigger membership – now 1001!
- **More and stable resources:** Significant and growing expansion – US\$ 30.3 now available for 2016 to 2019 as compared to US\$ 15.4 in Oct 2016 for the same period

2017 – Our Achievements, SO by SO

SO 1: Deepening country engagement

- **Malawi:** youth engagement in **12** districts; **3** consultations involving **100+** youth led organizations
- **India:** Catalytic support to national RMNCAH Coalition of **46** partners with **8** focus areas
- **GFF countries:** Commitment of **1.8** million to the GFF civil society engagement strategy and implementation plan, and **7** national workshops to develop civil society action plans
- **Kenya, Cameroon, Nigeria, Malawi and India:** Capacity building of advocacy and youth groups with toolkit development in **5** countries

Value add:
Supporting country
level multi-
stakeholder
partnerships
through advocacy,
alignment, analysis
and accountability

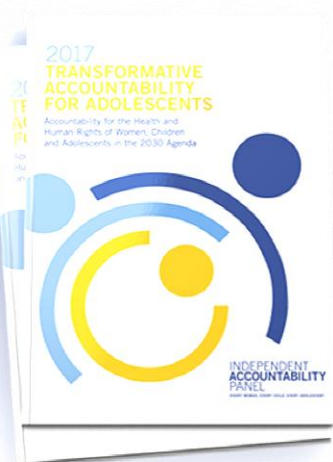

Looking forward to 2018: Stronger alignment between PMNCH, H6, and GFF (3Gs), strengthening multi-stakeholder platforms, and CSO engagement through small grant mechanism and focus on strengthening accountability mechanisms

SO2: Driving Accountability

- Coordinated and launched the **Global Strategy Progress Report** at the High-Level Political Forum on Sustainable Development in New York, July 2017 (with *EOSG*, *WHO* & 34 partners) and media campaign (TV, radio, newspapers and social media)
- Coordinated and published the Every Woman Every Child Global Strategy **commitments** analysis (with *EOSG*, *SEEK*)
- Hosted and supported the **Independent Accountability Panel** (IAP) – Transformative Accountability for Adolescent report launched during UNGA with around 200 participants
- Developing a guidance note on establishing and/or strengthening effective **accountability mechanisms**

Value add
Operationalizing
the GS Unified
Accountability
Framework

Looking forward to 2018: Continue to operationalise and strengthen the Unified Accountability Framework at national, regional and global levels; coordinate online Global Strategy progress reporting and strengthen EWEC commitment tracking – working closely with EOSG, H6, Countdown..

SO3: Focus action for results – Advocacy

- Launched a **global adolescent health and well-being toolkit** at Adolescent Health Conference in Ottawa in May 2017 with over 300 participants (with *AYC, Women Deliver, CIFF*)
- Launched the **Quality, Equity and Dignity (QED) working group** to support the goals of the Quality of Care network at country level (with *WRA, Save, FCI programme of MSI, WHO, UNICEF, MHTF, ICM, E4A, LSHTM, International Stillbirth Alliance, WaterAid*)

Value add

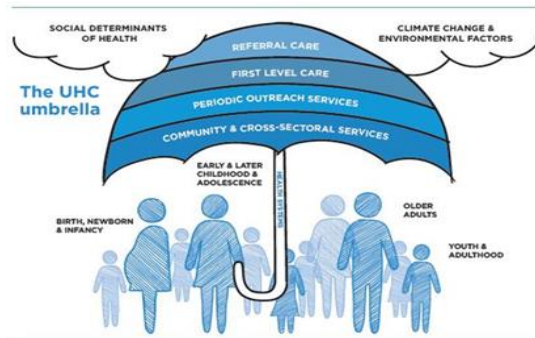

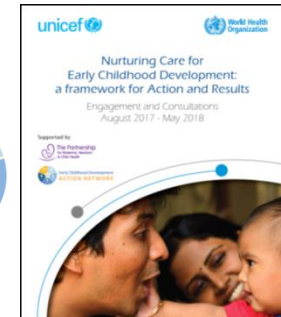

Support advocacy and communications for EWEC

Looking forward to 2018: Continue to advocate the goals of the QOC network; further scale up adolescent and youth health and wellbeing toolkit; advocacy campaign to promote health and wellbeing in humanitarian and fragile settings;

SO3: Focus action for results – Alignment and building consensus

- Initiated global consultations and advocacy working group for the development of a **Nurturing Care Framework** for ECD – consultations held July 2017 (with *UNICEF, WHO, ECDAN, Botnar Foundation*)
- Launched an **Evidence Map of Social, Behavioural and Community Engagement (SBCE)** interventions for RMNCH (with *WHO and International Initiative for Impact Evaluations (3ie)*)
- Development of consensus brief on putting women, children and adolescents at the centre of **UHC** (w/*WHO & Save the Children*)

Value add

Support advocacy and communications for EWEC

Looking forward to 2018: Launch of Nurturing Care Framework at WHA 2018, contribute to update of essential interventions under the umbrella of UHC;

SO3: Focus action for results – Analysis on frontier issues

- Conducted a scoping exercise for an **investment case on SBCE** interventions (with *WHO and Thinkwell*)
- Analyzed the political, structural and institutional factors affecting **ODA contributions to SRMNCAH** (with *PMNCH SHRH working group, LSHTM, World Bank/ GFF*)
- Facilitated a cross-constituency technical consultation at UNGA on **implementing and monitoring a human rights-based approach to health** and publication of **Judiciary reflection guide** (4th in a series), with OHCHR, WHO, UNFPA, Harvard

Value add:

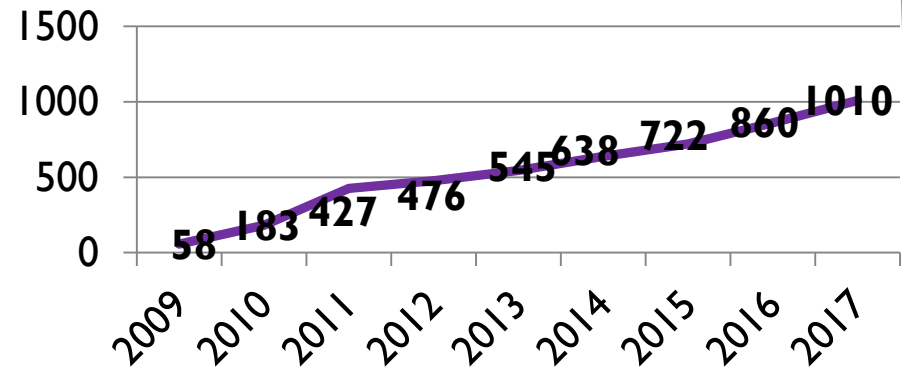

Promoting
evidence for action
and accountability

Looking forward to 2018: Investment case for SBCE interventions; use findings of SBCE evidence map to promote uptake of evidence; contribute to expanding human rights reflection guides, promoting evidence on SRMNCAH in hum/fs

SO4: Deepen Partnership

- Expanded partnership base from 800 to over **1010** members!

- New constituencies:**

Global Financing Mechanisms (GFTAM, Gavi, GFF) - established January 2017

Inter-governmental organisations - established November 2017

Looking forward to 2018: Enhanced PMNCH membership system, improve partner-centric model

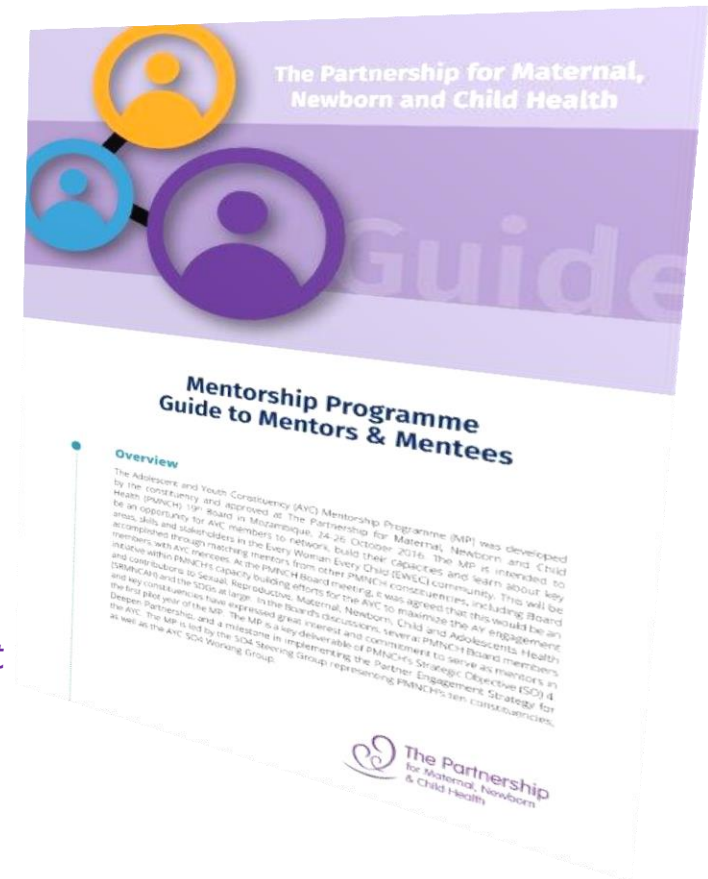

Value add

Doing more
together than any
one partner could
do alone

SO4: Deepen Partnership

- Designed and established a **mentorship programme** for our Adolescent & Youth Constituency (**100** participants; **50** mentors and **50** young people) (with *AYC constituency and CIFF*)

If there are any concerns at any stage, mentors and mentees should contact the Secretariat: AYC Focal Point, Mimi Melles mellesm@who.int with cc to the SO4 Manager, Abir Shady, shadya@who.int.

Looking forward to 2018: Completion of pilot year of the mentorship programme October 2018;

SO4: Deepen Partnership

▪ Series of **partner consultations and in-person retreats**:

- Online **surveys** in Sept to Nov 2017, and partner satisfaction survey in January
- retreat on cross-SO issues (6-7 November)
- retreats and meetings on individual topics, e.g.
 - ECD (3-5 Jul, 2 Aug and 22 Sep)
 - SO2 Accountability (28-29 Sep)
 - SO1 Country Engagement (virtual retreat 20 Oct)
 - Adolescent & Youth (21 Sep, 7 and 21-22 Nov),
 - Humanitarian settings (11-12 Nov meeting in Dubai)
 - SRHR (7 Nov, including a number of SRHR working group meetings),
 - Empowerment (7 Nov),
 - QED 7-8 Nov, including a number of QoC network meetings
 - CSO workshop 6-7 Nov, Maputo

Looking forward to 2018: Stronger partner-centric with cross-SO (function) and cross EWEC focus areas

Strengthening Every Woman Every Child in 2017

- Development of **EWEC Partners' Framework** with six focus areas and 2020 milestones
- Development of **Advocacy Roadmaps** to support EWEC High Level Steering Group champions and other partners
- Initiated and supported EWEC partner consultation process on **improving alignment and harmonization across EWEC architecture**

EVERY WOMAN
EVERY CHILD

FOR HEALTHY AND EMPOWERED WOMEN,
CHILDREN AND ADOLESCENTS

EWEC Taskforce Team

Chair: Gillian Turner

EOSG: Nana Kuo

H6: Luiz Loures

GFF: Mariam Claeson
